Definition of Membership classifications:

ACTIVE MEMBERSHIP gives you who meet eligibility requirements a vote in club activities and implies you will be available to contribute in some way to our events. You may be able to help with paperwork, call judges, make travel or hotel arrangements for judges, help set up or take down show rings at our shows, be a conformation or obedience steward, transport judges to and from the airport, etc. There are many jobs that help to create a successful club event and you don't need to know how – we will schedule you with an experienced person who will teach you. All the show jobs are easily learned and will expand your knowledge of the Australian Shepherd and ASCA events. Active membership provides access to the internet discussion list and FB Group for HRASCNY, and show workers are guests of HRASCNY at our annual holiday party in January/February.

JUNIOR MEMBERSHIP is open to anyone under age 18 and not living with a club member.

ACTIVE FAMILY MEMBERSHIP shall be open to any person and the resident members of their immediate family household who meet eligibility requirements. Voting memberships will be vested in members of the family who are 18 years of age or older and junior non-voting memberships shall be vested in members of the family who are younger than the age of 18. Active Family membership provides access to the internet discussion list and FB Group for HRASCNY, and show workers are guests of HRASCNY at our annual holiday party in January/February.

ASSOCIATE MEMBERSHIP shall be open to any person or organization in good standing with ASCA desiring membership for the sole purpose of receiving e-mails from the Club. This membership has no voting privileges.
